Subject: Consumer Bankers Association Petition
Proceeding CG 02-278

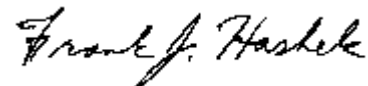

To whom it may concern,

I am opposed to any potential ruling by the FCC to override or change the state of Indiana's "Do Not Call" law. The conduct of business within the state of Indiana is a matter of states' rights. We, the people of Indiana, elected legislators who enacted our "Do Not Call" law. If there are any changes made to the law they should be made by our elected legislators.

I, and many other people in Indiana, who placed our names on Indiana's "Do Not Call" list did so because we do not want to receive unwanted and unwelcome telephone solicitations.

Therefore I urge the FCC to reject the CBA petition in its entirety.

Sincerely,

A handwritten signature in black ink that reads "Frank J. Hashek". The signature is written in a cursive style with a large, stylized "F" and "H".
